

HOW TO RIDE THE BUS SAFELY

1. Wait at a distance

We kindly ask you to practice social distancing as you wait for your bus to arrive.

2. Hop on for FREE

Buses are limited to 10 passengers per bus. Fares are currently suspended to limit interaction with our operators. If there are more than 10 passengers who need to ride, another bus will be added to the route to pick you up. Thank you for your patience.

3. Wear a mask

Always wear mask on when riding The Bus. Select a seat that is at a safe distance from others and enjoy your ride!
